

Regional Manager

Job Type	Full-time
Job Status	Sourcing
Date Posted	23-May-17
Location	Oregon, U.S.

Our client PRT, the North American leader in container grown seedlings, is a well-run, securely-financed multinational. You will be responsible for new business development, customer retention and contract administration/fulfilment in the Northwestern United States territory.

This full-time position has a compensation package that is competitive.

The successful candidate would likely work from the State of Oregon, however other northwestern states would certainly be considered. We want to talk to candidates with relevant experience who ideally possess a University or College degree in Forestry, or Biology, Horticulture etc.

Candidates must be either US citizens or eligible to work in The United States of America.
