

Technical Sales Associate

Job Type	Full-time
Job Status	Sourcing
Date Posted	07-Mar-17
Location	Saskatchewan

Our client, a technology leader in HVAC systems, is looking for a Sales Associate for their Saskatchewan operations. Our client is a major supplier of HVAC products in Western Canada supplying mechanical trades and services the commercial, industrial and institutional sectors.

You are a sales professional with a proven track record who knows how to effectively prospect for new business and is comfortable cold calling while building existing relationships. Experience in critical environment products for laboratories, hospitals, pharmaceutical manufacturers and large space public and commercial buildings is an asset. A strong technical background is a must and you may be a Sales Engineer or CET.

Interested parties are asked to forward cover letter and resume via email to the attention of Peter Baillie, The Executive Network Inc., peter@executivenetwork.ca. All applications will be held in strictest confidence.
