

Position Title: Territory Manager

Job Description

Our client PRT, the North American leader in container grown seedlings, is a well run, securely financed multinational. As the Territory Manager (known internally as Customer Support Representative), you will be responsible for new business development and customer retention. The successful candidate could reside in PRT's Dryden, Ontario territory or Brighton, Michigan territory (Howell). Other locations will be considered.

This full-time position has a highly competitive salary, retirement contribution, benefits package and bonus incentive program.

The ideal applicant has a Bachelor's degree in Forestry or another relevant field, with at least five years experience in a territory sales management role supporting forestry customers.
